

Anteneh Getnet

FRONTEND WEB
DEVELOPER

Description

Motivated third-year Software Engineering student with a strong interest in Front End Development. Skilled in HTML, CSS, JavaScript, ReactJS, UI/UX Design using Figma and eager to gain hands-on experience in creating dynamic and user-friendly web applications. In 2024 participated in a Hackathon project Organize by GDSC AASTU where our group achieved #1 among web developers and #2 among web and mobile app developers. Seeking internships or part-time roles to apply classroom knowledge and contribute to real-world projects.
